Interest Centers On Election To Establish District

April 12 Voting Is Not Concerned With Finance

County Clerk Ralph Deeble this week was mailing out sample ballots to voters in the proposed Tahoe Forest Hospital District in preparation for the election to be held April 12th to determine whether the district shall be formed.

R. N. Little, chairman of the hospital planning committee, said some confusion seems to exist regarding the purpose of the election, many having the impression that the balloting will decide the actual erection of a hospital or give approval to a bond issue. This is not the case, the chairman explained, the election being solely for the purpose of establishing the district.

In event the issue carries, the board of supervisors will appoint five directors to take over the administration of the district and these directors, if they find it advisable, can call a special election for bonding the district to build the proposed hospital. At that time the voters again will be the final judges as to the necessity and advisability of the hospital.

In event the bond issue is passed at a later date, a maximum rate of only 20 cents per $100 assessed valuation is possible and sponsors are of the opinion that because of the wide area covered by the district that this maximum will never be necessary. Efforts will be made to secure federal and state aid for financing the hospital in the event the election next month carries, sponsors declare.

The hospital district has been sought for years by the residents of the eastern sections of Nevada and Placer Counties as the result of inadequate facilities for handling sick and injured in the rapidly growing region.

CHIEF OPERATOR HAS 25 YEARS OF P. T. & T. SERVICE

Mrs. Della Burlingham, chief operator for the Pacific Telephone and Telegraph Company in Truckee, recently completed 25 years of service with the company.

Last Thursday, in Reno, at a luncheon in her honor, Mrs. Burlingham was presented with a 25-year service emblem by R. D. Schreiman, district traffic superintendent.

Mrs. Burlingham, who has been chief operator since 1943, started her telephone career here in 1924. Except for several months in Marysville, she has served continuously in Truckee.

Shirley Guymer Is Feted on Birthday

Shirley Guymer celebrated her fifth birthday Wednesday, March 30, with a party at the home of her parents, Mr. and Mrs. Raymond Guymer. She received many lovely gifts. Young friends invited included Arlene Copeland, Joe and Monty Straub, Jean Wakefield, Anthony Wilson, Bonnie and Connie Forrest, Martin Johnson Jr., Alice Marie Bertolozzi, Clifford Garry and Ray Roberts, Joann Belveal, Jackie and Kenneth Wilson and Sue Guymer.

Mrs. Jacquiline Denny of Etna is spending several weeks in Truckee visiting her parents, Mr. and Mrs. E. E. Boehm.

School Plans In Unified District Studied At Meet

Junior High, Adult Class Viewed as Possible By Board

An informal discussion of future plans for the Tahoe-Truckee Unified School District was held here yesterday with members of the board meeting with Albert Bequette, Placer County superintendent of schools, and Everett O'Rourke, consulting secretary of secondary education in the state department of education.

Among items brought up for discussion was the type of school desired in event a new school plant is authorized by the voters It was virtually decided that the institution would include facilities for a junior high school embracing the seventh and eighth grades as well as a regular four-year high school course, Walter A. Loynd, board president, said. This would relieve the elementary school of the two upper grades as well as providing more adequate facilities for the children of those two classes, he declared.

Adult education was also discussed as a possibility under the new setup.

On the question of the eligibility of teachers it was determined that the employment of teachers for the coming year hinges upon the decision of local boards, with the exception of Mrs. Bliss Hinkle, principal of the branch high school at Tahoe City, and her case is now being studied from a tenure standpoint by the attorney general's office.

Most teachers currently employed in the schools of the district are under emergency certification, Loynd said. He said he had been led to believe that the present school boards and the unified board would arrive at a mutual understanding regarding the reemployment of teaching staffs prior to the awarding of contracts.

The next regular meeting of the board will be held at Kings Beach on April 11, Loynd said.

Truckee Girl Given Party on Birthday

Mrs. Ernest Duggan entertained at a party for her daughter, Olivia, who was eight years of age on Saturday, March 26. A gaily decorated cake and colorful table appointments attracted the small guests. Games were played and gifts were given the honoree. The nine friends enjoying the afternoon were Jessie Rablin, Patsy Smisek, Linda Loynd, Irene Englehart, Jaqueline Wilson, Janice Grey, Loretta Farrar, Carole Leavitt and Barbara Brown.

Third Plane In Forced Landing At Local Field

Champion Dog Team Is Used to Salvage Aircraft

For the third time this winter Lloyd Van Sickle and his team of Samoyedes have been called upon to clear the Truckee emergency airport of planes which have made forced landings in the snow.

Sunday afternoon, a Piper Cub piloted by Chester Wright of Ukiah made a forced landing when a sudden snow storm made visibility impossible and the pilot brought the plane down on the snow packed field. The plane was damaged but Wright escaped uninjured and made his way to Truckee.

Monday and Tuesday, Van Sickle and Lewis Price, both of Hill Top Lodge, righted the plane and hauled it to the road where it could be transported to Ukiah.

Early last winter a two-place plane occupied by two bay area men made a forced landing on the field and in mid-winter four San Francisco men suffered minor injuries when their chartered plane crashed on the field.

In all cases the local dog teams, which recently won the Sierra Dog Derby races here, were put into service to take the wrecked aircraft off the field.

HIGH SCHOOLERS' DRAMA IS SLATED ON FRIDAY NIGHT

When the seniors of Truckee high school first decided to present a mystery play this year, Coach Lois Kemp read several popular published plays but when she read a copy of "The High School Mystery" the others were promptly forgotten.

So it is "The High School Mystery" that will be presented on Friday evening, April 1, at Capitol Hall.

This play was released from the Northwestern Press of Minneapolis and was written by Robert St. Clair, considered one of the most prolific playwrights in the country as well as being a celebrated author of motion picture stories.

Those taking part in the production are:

Margaret Davidson as Miss Fielding, the drama coach; Lynne Peterson, Laura Crowder, the heroine; Kay Baba, Dorothy Russell, the comedy maid; Betty Parkhurst, Mary Lee, the character lady; Marlene Mahne, Miss Jeffries, assistant director; Ofelia Dominguez, Mrs. Reed, Victor's mother; Philip Ladd, Earl Sayles, the hero; Jay Rablin as Victor Reed, the villain; Clarence Dunkelbarger, Raul Butler, the character man; Dick Loynd, Joe, the stage manager; Don Adee, Jack Howard, the author; Tim Powell, Jason Shaw, the sheriff.

Back on Job—

Frank Titus who has been enjoying a two weeks vacation, part of which he spent in the coastal area, is back on the job at Loynd's Truckee Drug.

Sun Beams

by Walter M. Barrett

Scores of friends of C. E. Smith will deeply regret his decision in refusing nomination for reelection to the board of directors of the Truckee Public Utility District. During the 22 years he served as president of the board, the district has shown a consistent growth and in no single year did the revenue show a drop from the preceding year, a good record made possible through the business principles exercised by the board under Smith's leadership. In the nomination of Charles Heller to succeed Smith we believe a good choice has been offered. Although a comparative newcomer to Truckee, Heller is no stranger to the district and is an able administrator and should prove a valuable man on the board.

With the advance of spring, danger that accompanies driving becomes more pronounced. Not only are there more cars on the highways but the percentage of careless drivers goes up. For the most part drivers are careful and exert every effort to avoid trouble but every so often one comes along without regard for himself or anyone else and unless the careful driver or pedestrian is a capable dodger, there is apt to be a crash with serious consequences. The laws are very lax for traffic violations when the dire results from violations are so apparent, so the best thing to do is drive carefully and not depend upon the other driver just because the law says you are right.

●

Truckee is perhaps more prosperous than a lot of towns of its size simply because so many people have learned that trading at home is the thing to do. Keep on buying here and watch the community continue to advance and prosper.

Mrs. Rich on Faculty At High School Here

Mrs. Esther Rich has joined the faculty of Meadow Lake Union High School here, taking the place of Raymond Lewis who is now on a leave of absence for his health.

Mrs. Rich has had several years of teaching experience, specializing in music. She has started music classes heretofore not available at the school and is concentrating on glee club and vocal quartette work for 1949 commencement exercises. She is also instructing arithmetic, hygiene and arts and crafts classes.

Her husband, Donald Rich, is the state park ranger at Donner Monument.

Committee Approves Teletype for Sheriff

SACRAMENTO —(W. N. S.)— The senate committee on governmental efficiency and economy recommended do-pass on a bill authorizing installation of a police teletype system in the Nevada County sheriff's office. The bill, sponsored by Senator Harold T. Johnson of Roseville, directs the attorney general to lease facilities and equipment for connecting the Nevada County office with the statewide net of the department of justice.

The bill also carries a request for $3,000 to cover installation costs.

RED CROSS DRIVE

TAHOE— The Red Cross appeal for funds in the Tahoe area had reached $936.50 of a $1050 quota by Tuesday, according to Mrs. Stella Watson, drive chairman.

In Nevada—

Mr. and Mrs. Harold Langille and Mr. and Mrs. Walter Loynd visited Fallon, Nevada, during the weekend.

At Bay—

Mr. and Mrs. Gaston Hocker were in San Francisco this week.

Father is Guest—

Edward Berg of Auburn was the week end guest of his son and daughter-in-law, Mr. and Mrs. Gilbert Berg, here.

Truckee Hero's Body Returned For Military Rite

Lavon Joseph Received Medals for Action At Okinawa

Full military services will be held Tuesday afternoon, April 5th, at 1:30 o'clock for Lieutenant Lavon Joseph, killed in the Pacific war, whose body is being returned to the United States for burial in the Golden Gate National Cemetery near San Francisco.

Mrs. Virginia Joseph, his wife, will arrive from Lewiston, Idaho, to attend the services. Attending from here will be the deceased's father, Richard Joseph, and the latter's daughters, Mrs. Donald Keskeys of Sacramento and Mrs. Albert Ring of Auburn, and Mrs. Roxie Archie and Mrs. James McIver, aunts of the young hero, both of Truckee, will also attend.

Lt. Joseph was killed on Okinawa on May 1st, 1945, while leading his company of infantrymen into fierce hand-to-hand combat against a fanatical group of Japs. A final letter from Lavon which arrived April 23rd gave a word picture of the battle in which the Americans had the enemy cornered on a cliff, with the Japs frantically refusing to surrender. It was during the charge against this position that the youthful officer met death. He had been in the Pacific war about four months and in the army since December of 1941.

He was awarded the Silver Star and the Purple Heart posthumously.

FIRST STREET SIGNS APPEAR HERE IN WEEK

The first of the black-on-yellow street signs, being put up by the 20-30 Club around Truckee, made their appearance at intersections this week. Spring Street is completely identified, with signs on Commercial Row and Bridge Street as well. The project will continue with volunteer help from the club until the job is completed.

Colored slides of the recent Sierra Dog Derby were shown by Bob Sayre to members of the club at their meeting at Cozzi's last night. Harold Lindvall of Nevada City was a guest at the meeting.

New Freight Diesel Makes Bow on Hill

Truckee today had a brief glimpse of the new four-unit freight Deisel which made its maiden trip between Roseville and Sparks over Southern Pacific tracks. The engine is designed to pull a heavy train over the Summit from east to west without a helper and will require only one helper from Roseville to Norden.

Immediately back of the Deisel was Division Superintendent M. L. Jennings in his private car. There were 76 cars beside the superintendent's car and the caboose.

Interstate School Bus Trips Subject of Bill

SACRAMENTO —(W. N. S.)— Legislation permitting California's border counties to use school busses for transporting students across state lines to participate in school activities was passed Tuesday by the state assembly.

The measure, sponsored by Assemblyman Francis Lindsay, Loomis, will amend present provisions of state law forbidding school vehicles to leave California. The present law, according to Lindsay, is impractical because in some border districts the roads used in transporting pupils to and from schools cross and re-cross the state line. He also pointed out that pupils in border districts should not be denied the right of taking field trips necessary in their education.

The bill authorizes trips only in states immediately adjoining California.

Last Rites Held For Pioneer Of Hobart Mills Area

Comstock Native Wife Of Ex-Supervisor 52 Years

Funeral services were held at the Truckee Colonial Mortuary yesterday afternoon at 2 o'clock for Mrs. Mary Louise Robertson, 78, wife of former supervisor Alex Robertson, who died at her home at Hobart Mills at 3:00 o'clock Monday morning. Cremation was at East Lawn in Sacramento.

A native of Virginia City, Nevada, the deceased was the daughter of the late Mr. and Mrs. Tom Dullingham who were attracted to Nevada by the discovery of the Comstock Lode.

Thirty-nine years ago the Robertsons moved to Hobart Mills and had continuously made their home there since. For the past several years Mrs. Robertson had been in ill health and recently had been a total invalid.

The Robertsons recently observed their 52nd wedding anniversary.

Mrs. Robertson is survived only by her husband, who was supervisor for the fifth district of Nevada County for 16 years. She was widely and favorably known throughout the county and friends will join in extending sympathy to the former local official.

Among county officials here yesterday to attend the services for Mrs. Robertson were Phil Scadden, William Tamblyn, Miss Elma Hecker, Ralph Deeble, Bernice Clemo, Jack Nettell, Frank Rowe, Warren Odell and Cary Arbogast.

GRAND JURY TO INCLUDE THREE FROM TRUCKEE

Three Truckee residents have been chosen to serve on the 1949-50 Nevada County Grand Jury. They are William Englehart Sr., Cecil Edmunds and Tillie Smith.

The jury was impanelled and addressed by Superior Judge James Snell Monday.

Curtis R. Clark of Nevada City was appointed foreman of the new grand jury. Englehart served as foreman of the old grand jury recently discharged by Judge Snell.

Judge Snell pointed out the scope and limits of the grand jury action and urged a personal interest and responsibility to the county's administration and welfare. Mrs. Ethel T. Buell, a fourth Truckeeite called on the panel, was excused from serving by Judge Snell.

Truckee Man Embarks On European Jaunt

John Brown, father of Mrs. William Englehart Jr., of Truckee embarked from New York on the Queen Elizabeth last week for an extended trip to England and the continent. He plans to visit with sisters in England he has not seen for 50 years.

State Board Rejects Work at County Fair

SACRAMENTO —(W. N. S.)— The state public works board this week refused to allocate $30,000 to the 17th district agricultural association at Grass Valley for grading and paving. The district claimed as matching credit the value of the present grounds as acquired through gifts and purchases.

Heller Candidate For Director Of Utility District

C. E. Smith Will Quit, Was On Initial Board in '27

Charles R. Heller, who with Mrs. Heller operates Hellers' Variety Store here, was the only candidate to file for the post of director of the Truckee Public Utility District prior to the filing deadline last Monday.

One director will be named at the election to be held May 3. The term of C. E. Smith, president of the board and a member of the utility district organization since its inception 22 years ago, expires and Smith has announced that he would not be a candidate for another term.

Heller is widely and favorably known throughout the district. For many years he operated the store and market at Meeks Bay and left there to engage in business in San Rafael and later in Sacramento before returning to Truckee in 1947. Here he and Mrs. Heller purchased the variety store and have conducted a successful business.

The candidate is community minded and is active in civic and fraternal organizations.

"While I am not familiar with the operation of the utility district, it will become my duty, if elected, to make a study of conditions and render what service I can," Heller declared after accepting the nomination.

Any other candidate must be a write-in as nominations were closed Monday. Other members of the board are E. L. Loynd and B. W. Reynolds.

CIARDELLA WILL HEAD ROTARY IN NEXT YEAR

Humbert (Johnny) Ciardella, owner of the Capitol Hall at Truckee, was named president of the Rotary Club for 1949-50 at a meeting at Donner Lake Lodge Monday evening. He will succeed Ernest Tschopp of Rainbow.

Ciardella has long been active in Truckee civic organizations and drives for worthy causes. He is at present the only charter member of the Rotary Club still active in the organization.

Other officers selected were Art Couillard, secretary, and James Sherritt, Herb Mattheus, Clarence Osborn and Ted Johnson, directors.

Oscar Beach was inducted as a new member with Theodore Schlueter of the North Tahoe Rotary conducting the induction.

Another highlight of the session was the semi-annual visit of District Governor Link Peckinpah of Quincy.

Curran Goes to School For Forest Training

William Curran of the Truckee forest service station left Sunday evening for Los Prieatos near Santa Barbara where he will attend a training school for fire control assistants from the California region. The school will be of three weeks duration.

Permit System Test Set at Summit Site

Tahoe National Forest will give the special use permit system a test this year in the Hampshire Rocks camp ground near Big Bend.

Supervisor Guerdon Ellis says a permit to operate the camp will be given to a private individual who may charge 50 cents per night for parties of six or less in cars. In turn he will maintain the grounds.

The new arrangement is being tried in several forest camps through the country. The purpose is to find whether campers will keep a clean, sanitary camp ground under competent supervision.

At Capital—

Mr. and Mrs. B. J. Riordan were expected home yesterday after visiting in Sacramento.

Visit Family—

Mr. and Mrs. R. P. Bick visited members of their family in Reno this week.

Bill Bechdolt Retires As Ski Club Head

TAHOE— Friday night, Bill Bechdolt, who piloted the Lake Tahoe Ski Club through one of its most successful years, stepped down to hand the gavel to Gerald Waters, who succeeds him. He received an ovation from the assembled members and steps out of office leaving the club in excellent financial condition, despite heavy expenditures through the current season for sending club members to distant meets and in staging the state jumping meet at Olympic Hill in February.

On Friday night $258.45 was donated to the ski club by members of the now extinct Tahoe City Gun Club which disbanded two years ago. At that time members agreed to pass on to the ski club whatever money was left in the coffers.

Other new officers of the ski club include Oliver Corona, first vice president; Charles Henrikson, second vice president; Jake Stuart, corresponding secretary; Mrs. Jake Stuart, recording secretary; Oliver Henrikson, chief of the hill; Don Prusso, tournament director; Carl Becholt Jr., junior skiers represenative; Ray Fellows, Bill Bechdolt, Terry Tollefson and Al Henry Jr., directors. The office of treasurer is still unfilled as both Mrs. Margie Fellows and Mrs. Florence Slade, who were nominated, declined.

A motion was unanimously passed that from now on the retiring president of the club shall be presented with a gavel upon which his name has been engraved as a memento of his service.

Only 95 CSF Leaving Tahoe on Monday

TAHOE— The level of Lake Tahoe Monday was 6224.47 with 95 CSF of water leaving the gates in town. Precipitation for the past week was .26 of an inch with 49 inches of snow on the ground at Tahoe City. Coldest day of the week was the 24th with 13 degrees and warmest was the 26th with 48.

Tahoe Chamber Outlines Directory, Info Booths

TAHOE— Residents of this district who attended the meeting of the Lake Tahoe Chamber of Commerce last Friday night in the Tahoe Valley American Legion hall were Mr. and Mrs. C. W. Vernon and daughter Florence, Mr. and Mrs. Fred Cunningham, A. M. Anderson, A. M. Henry, Fred Main, Waldo Bagwell, Mr. and Mrs. Charles Warner and Mr. and Mrs. Louis Rosenblatt and daughter Fleurette. A crowd of approximately 100 persons was present, with A. E. Abbott, chamber president, presiding.

Two important moves were outlined by Fred Perley, new chamber manager, the first a plan to compile a directory of all businesses around the lake, hotels, cottage courts and rental places indicating their location, prices and accomodations. A map of Tahoe will be included showing the exact location of the resorts and motels.

Next was outlined the plan for three information booths on the highways at the three wyes of Tahoe—Tahoe City, Spooner Summit and Tahoe Valley. Large signs will be installed at the approachs to the booths.

Perley feels that Lake Tahoe has everything the vacationist could possibly desire and all that is now needed is a method of telling the world about it.

To Minnesota

Mrs. Lucille Cross of Tahoe left this week for Mayo Brothers Clinic at Rochester, Minn. where she will recieve treatment for an ailment arising out of an automobile accident last year.

State to Station Two Sanitarians at Lake

TAHOE— Mrs. Marie Henry of Tahoe, member of the Placer County board of health, attended the group's meeting in Auburn last week, accompanied by Mrs. Al Henry Jr. and daughter Karen who visited at the home of Mr. and Mrs. James Wheat.

Among other things it was announced the state will furnish two sanitarians for the Tahoe district, one for Placer County and one for El Dorado County, to be at the lake all summer.

Funeral Held For Kin Of Tahoe Area Men

Funeral services were held in Sacramento last weekend for Herman Gross who passed away following a recent heart attack. Gross, a native Nebraskan, was active in lodge and church circles in the Oak Park district of the capital city and had been employed as a painter.

Surviving are his widow, two daughters, a brother, five stepsons, three stepdaughters, five grandchildren, two great grandchildren and the following sons: Ernest Gross of Roseville and formerly of Truckee, Waldo Gross of Tahoe City and Harvey Gross of Tahoe Valley.

Dr. Keys Plans to Open Tahoe City Office

TAHOE— Dr. John Keys of Truckee has taken a lease on one of the Bechdolt houses on The Circle and within two weeks expects to be holding office hours there. Carl Bechdolt will renovate and redecorate the cottage for use as an office. Dr. Keys now holds office hours in Kings Beach in the forenoon each day and will be available at Tahoe City in the afternoons according to tentative plans.

Has Operation

TAHOE— Mrs. G. D. Waters has returned to her Tahoe home after vacationing in Dallas, Texas, with her son, Wilba Mahaffey, and family. Last week she accompanied her husband to San Francisco. Waters was operated on in University of Nevada Hospital. The operation was of a minor nature and he was scheduled to return home this week.

Summit Scene

by FRAN COJILLARD

We hear of many, many improvements to be made this year on our hill top and of several contemplaed changing of hands in the area. We talked to George Stiles, who leased and managed Soda Springs Hotel just before the war. George has sold his Baldwin Hotel in San Francisco and as he rides up and douwn Forty, casting an eye on the various lodges and resorts and exclaiming over the improvements made since he left, we see signs of nostalgia creeping over his face.

Just a portion of a letter we received from a friends who went to Sun Valley for the Harriman Cup Race: "Dick Buek showed up wonderfully well in view of the fact that most of the world's finest skiers ran in the terrific competition. Dick looked steady and in good form —in fact when he passed our viewing place half way down the treacherous Olympic run we thought he would place among the first three or four." So our boy is still in there and under the skillful guidance of Hannes Schroll and Corty Hill we look for som wonderful stuff from Dick. Stanley Walton, who "adopted" Dick, walks around with his buttons popping over the continued success of his protege.

Anent Elmo Moriano's costume party: Milt Hogle in his black Stetson, cigar, big watch chain, swallowtail coat with skin-tight underwear pants accompanied his charming Helen in gypsy garb. Kay Jensen with his beaded beanie, long tails, sash and striped pajama pants made a very good looking Arab. Marie Strickland as Raggedy Ann could have gone on the stage in her get-up. Peg Tarvis, complete with box lunch and bath towel, looked cute in her 1898 bathing suit with sailor collar. Lots of gypsies, lots of cow girls, Betty Horak looking particularly fetching in her chamois skirt. Bill Vail as a railroad engineer while his wife Rita made a charming Scot lass. We are familiarly and somewhat affectionately known on the hill as "the old bag" so we carried out the general idea by tying ourself up in a couple of gunny sacks and strung a necklace of potatoes around our neck. Stan and Madylon Walton came as "Lost and Found Departments" —terifically funny.. Eleanor Johansen and John, a lady and gentleman of the harem. The metallic cloth that swathed Eleanor was years old; an heirloom and simply magnificent. Helen Bergman was enchanting and naughty looking as a Bowery queen, complete with garters. Barbara Zorich came as a Mandarin lady while Bud Z. displayed his beautiful sun tan in one of his wife's sun suits. Maria Schuster's gray satin dance hall costume showed those beautiful gams and through her black silk stockings one could detect dollar bills. Making a well timed entrance was Melvin George of the Sierra Snow Lab. Complete and magnificent in silk hat, white tie and tails, a long cigarette holder, white gloves, and a butoniere and gold headed walking stick, this "mysterious" gent knocked 'em dead when he sauntered in. Our host, Elmo, entertained his guests by riding a three-wheeled trike. Bud Horak in a long white night gown, bandanaded and carrying a rolling pin, the Nordstrums and Rolland Galloway all in white flannel nighties as Winken, Blinken and Nod; John D'Arcy in a platinum wig, his six foot four frame draped in a gorgeous evening gown. Lee Sandahl as a charming witch, broom and all. Lee Sullivan as Wee Willie Winkie, complete with candle. Ray Hartz of Donner Summit Lodge and Margaret Weirick won first prizes. Ray was Santa Claus, minus the trousers. On his back he carried a Christmas aree and plugged in at every outlet to light himself up. He also had a bag of presents and all guests were given a token of the great thought that Ray had put into his unusual costume. Margaret was decked out in "We've Been Skiing on the Donner Trail" signs and her arm was in a splint, her head was bandaged and a great deal of catsup and mercurochrome had been poured over the bandages that held her together.

On Monday evening Arnold and Babe Hansen celebrated his birthday at Rainbow Tavern. As usual, Arnold put on a good show. Professional entertainers from the bay area were brought in to make his party something to be remembered. Guests utilized the mike to sing their own favorite songs with the professionals softly strumming accompaniments. Don't know who made the birthday cake but it simply melted away—a real angel concoction.

At Velda and Glenn Parsons' farewell party to Bill and Edith Fox, the table was beautiful and the chow mein was something to write home about.

On April 5 the winter committee of the Donner Trail make their report to the many people who supported them in their new venture. The place will be the Donner Trail School building and the ladies of the area will serve a buffet dinner to those attending. Financial statements will be given out as to how the money was spent. News clippings for the two months activities will be on display to show how the agency functioned. Criticism, suggestions and ideas for a new program will be bandied about.

In the past two years we have succeeded in getting a new elementary school in the summit area; we have a new utility district and new high school district. We may soon have a new hospital district. Progressive business and professional men have come into our area to cast their lots with ours. Our drives for various causes have exceeded those of previous years. And if you check the record you will find that the same faces, the same unified energies, the same ceaseless efforts are being expended by the same people. If you will check further you will find that these energies which were thrown into the common pot are for the improvement of your community. It might not occur to you that a few minutes of your time might expedite these improvements. So remember when you are called for your next meeting, the guy who called you hasn't any time to waste either.

We see quarter cards stuck up around here and there and tickets being sold to raise money for the American Legion Memorial Hall on the Summit. The beautiful site of this contemplated building is going to be another improvement on good old Forty. The service boys behind this movement are working hard to raise the required sum. Help them all you can!

'Cross Summit Riding Trail Prospects Are Regarded As Dimming

by EDMUND KINYON

GRASS VALLEY— The project of a riding and hiking trail between the Colfax highway and Donner Lake along the route of the Emigrant Trail, as specified in the Lindsay Assembly bill, appears to have run into a money hortage which may make its early cosummation difficult. Apparently the state fund created for such projects is now reduced to the point where new projects are not reaily accepted.

It is indicated that another difficulty is that donated rights-of-way are not forthcoming to the extent anticipated.

In such circumstance, it is now hoped to have the Emigrant Taril declared a state monument, thus preserving the portions still vivid with traffic marks of a century ago from effacement. Although portions of the distance lie within the You Bet-Little York country where intensive mining operations prevailed for numerous years, markings of the historic trail laid down in 1844 are still visible.

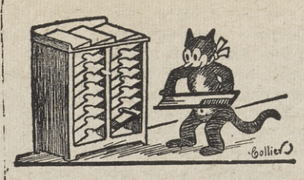
This trail marked the first entry by wagon into Central and Northern California along 500 miles of the Sierra. It was established by the Stevens Emigrant party in 1844 and baptised in horror and heroism by the refugees of the Donner party in 1846-47. After the gold discovery it carried the immense traffic of the Gold Rush until 1852. Its important use thus covered a period of about eight years. Moreover, its course roughly marks the route of the first transcontinental railroad.

Traffic pressure in Highway 40 is increasing at terrific pace. Soon some auxiliary and less congested route may be a virtual necessity in connection with the more leisurely traffic stream. The course of the Emigrant Trail offers the most feasible route and by far the most interesting on the basis of historical associations. —From The Trail column of the Grass Valley Union.

Big Benders Conduct Huysink Survey

Forest Supervisor Guerdon Ellis of Tahoe National Forest states a snow survey was made in cooperation with the California division of water resources on March 28 at Huysink Lake on the headwaters of the American River drainage. The survey was made by Fire Control Assistant Fox and Glenn Parsons from Big Bend ranger station. The snow depth averaged 10½ feet with water content of 50 inches. This compared with 8½ feet of snow and a 25½ inch water content the same date last year. The water content at this time is slightly below the 59 year normal of 53 inches. This year's water content approximates normal and should assure a good supply of water.

MY PLACE in the SUN



by DOUG BARRETT

Art Walters of the Sierra Tavern just got back from what must have been a nice trip. He visited several towns and cities which looked bright and nice under recent coats of paint and Art wondered why Truckee couldn't present a like vista to the traveling public. He suggested the chamber of commerce spark a "clean-up, paint-up" program. Art has a point and his criticism is contsructive as he thinks a lot of Truckee and the folks in it. Perhaps he oversimplies the problem and its solution a little but it is something to think about. The long winters, this one for instance, are rough on exterior paint jobs but they do make the trees and pastures grow greener. The proximity to the railroad and the transcontinental highway create a lot of industrial dirt but it makes the till drawers gleam greener. However, as I say, Art's suggestions are worthy of some study if they will tend to improve the appearance of our town to outsiders.

Jim Burkhardt, formerly of Summit Airways now at Battle Mountain, Nevada, is the proud pop of a son James Patrick..... a nine pounder, Vina Clepper tells me.....Bill and Frances Meyer around town Sunday with Augie and Flo Esola.....Joan Owens up from Sac, in Bud's Fountain with Barbara White..... LONE LINE ANGLING

SACRAMENTO —(W. N. S.)— Legislation prohibiting angling with more than one line was passed Tuesday by the state assembly and referred to the senate. The measure, authored by Assembly Thomas Erwin of Puente, makes it illegal for any one angler to use two or more set lines in sport fishing or to use more than one pole.

S.F. Committee Formed To Get Olympics

SAN FRANCISCO —(RNS)— San Francisco has organized a committee to seek the Olympic Games for this area in any year in any year in which they may be obtained, it was announced here this week. The committee expressed the belief that the city should go all out for the games of 1960 or 1964 and in the meantime prepare to accept them in case an earlier date should become available.

On the beach in front of The Gables, the Tahoe Gun Club is still having a shoot each Sunday afternoon. Last Sunday the strong wind off the lake really tested the ability of the shooters. But on a nice afternoon, half of the community may be found down on the beach watching the fun. Membership is growing, benches are provided for spectators and the club hopes to have more traps installed soon. Everyone is welcome to come and try their marksmanship.

The Low XII Club held its first social event at The Gables last Thursday evening with 21 members and guests present. A delicious turkey dinner was served early in the evening, followed by table entertainment and dancing. Chet Langenstein delighted the group with songs accompanied by his banjo.

Tom Lucas has made contact with the Easter bunny and says he will be at the ball field on the golf course at 11 o'clock Saturday morning, April 9. After the egg hunt, there will be free show at the Brockway Theatre in the afternoon for all children including those of high school age.

Miss Lois Bridges of Compton and Charles Day of Lake Point Bungalows were married on March 10 at the home of the bride. Miss Bridges was queen contestant representing the Compton Ski Club at the snow pageant here this winter. The young people plan to make their home at Kings Beach.

Mrs. Lloyd Kessler of Crystal Bay was severely cut about the head when the car in which she and her husband were riding collided with a truck driven by Bill Randal on Dollar Hill last Thursday evening. Ted Riddle happened along soon after and secured aid in rushing the couple to Truckee for emergency treatment. Mrs. Kessler's condition was such that she was taken on into the hospital at Reno. Thrown through the windshield, her face and head were so severely cut that around 100 stitches were found to be necessary.

Mr. and Mrs. Fred Barton have returnd to their home in Kings Beach.

Friends are sorry to near of the death of Bert French, 20-year summer resident of Kings Beach. Mr. and Mrs. French celebrated their 50th wedding anniversary last year and have averaged about six months each year at their home at the lake for the past ten years or more. Mrs. French will continue to make her home with relatives in Oakland.

Mr. and Mrs. Warden Fields, Mr. and Mrs. Fred Baker and Mrs. Byron Abbott made a hurried trip to Bakersfield on business this week.

The Stokes, Clements and Russ and Alta Elder enjoyed a joint birthday celebration last Saturday evening for Lisby Clements and E. J. Stokes whose birthdays are only one day apart. This was the third year they had celebrated together and they say it will be an annual event. After the birthday dinner, home movies of local snow scenes were enjoyed.

Erwin Tucker, brother of Alice Sorenson of Tahoe Vista, and Miss Marjorie Shipp of San Mateo were married in Reno last Saturday. After the ceremony the couple came up to the lake for their honeymoon.

Mr. and Mrs. Gil Ballard have returned to the lake after spending the winter in Florida.

Announcements are out on the birth of Cynthia Lee Phillipy in Los Angeles to Mr. and Mrs. Verne Phillipy on March 13.

George Meisenheimer has returned from taking his small granddaughter back to her parents, Mr. and Mrs. Art Buehler of San Jose. Little Vicki has been enjoying a visit with the Meisenheimers for the past two weeks.

Mr. and Mrs. W. D. Hall received a surprise visit from Mrs. Hall's sister Mrs. E. D. Conolley of Carmel who was accompanied by Mrs. Fred Bather of Martinez and Ray Martin, their son who has been attending school in Sacramento. The guests stayed over until Thursday, enjoying the time in seeing the lake and Reno, visiting and playing Canasta, an Argentine card game which seems to be very popular in this country now.

The Kings Beach Parents and Teachers Association gave a card party at the school house on Saturday night, March 26. Tables were set up in the class rooms and the group enjoyed games of bridge, pinochle and bingo. Refreshments of cake, candy, coffee and Coke were served during the evening. All had a good time and the PTA cleared about $45 at the affair.

Saturday evening, April 2, at 6:30 a delicious hot dinner will be served at Carpenters Hall to benefit jointly the Kings Beach PTA and Mothers Club. The dinner is being prepared by Mrs. Theresa Sutton who will also handle the dining room arrangements. There will be dancing after dinner with Ruth Mizner and Leon Shook furnishing the music. Admission for dinner and dance will be $1 for adults and 25 cents for children. Dinner will be served from 6:30 to 8:30.

Peter Marich, who served for four seasons before the war as pro on the Brockway golf course has been appointed pro manager of the Washoe County golf course near Reno. Marich most recently has been employed at Havana, Cuba.

Don't forget the organization meeting for the North Tahoe Community and Sports Inc. on Friday evening, April 11, at 8 o'clock in Carpenters Hall. All past members of the two out-going clubs as well as anyone interested in the new organization are asked to be present. Business will include ratification of the new by-laws and election of officers. Refreshments will be served at the close of the business session.

Rev. Oscar Swenson announces the Sacrament of the Lord's Supper will be observed at the Wee Kirk of the Pines, Kings Beach, at 11:30 a.m. Sunday, following church school at 10:30.

Tahoe Letter

FROM SWANEE

Tahoe, Calif., March 28

Dear Tahoeites:

Today finds me just pulling out of a bad sick spell which kept me from attending the Tahoe junior D class ski meet for youngsters under 15 on Saturday. It was held just a couple of blocks away at the ski hill lu town but I was too sick to make it. I'm told it was one of the nicest meets ever held here and the junior performers really made the most of their day. Races were won by seconds and the Lake Tahoe Ski Club plans to make this an annual event from now on with events to be staged over two days instead of one. To Mrs. Jake Stuart and her committee, comprised of Mesdames Gladys Quam, Ila Martin, Margie Fellows, Wilma Korich and Dot Dempsey, go orchids for the competent manner in which they prepared the delicious pot luck supper served to approximately 100 contestants, parents and guardians in Tahoe Lake School auditorium Saturday evening. Ray Fellows awarded the trophies and medals to winners following the repast.

A sidelight on the day's events was the weiner roast tendered the Truckee boys who entered the meet on Saturday at the home of Mr. and Mr. Norman Sarratt. The group enjoyed a tasty luncheon, with Mrs. Esther Young, mother of Mrs. Sarratt, aiding in its preparation. Luncheon guests included Bob Tonini, Charles Ed Smith, Mickey Hagstrom, Ray Dixon, Aaron Thomas, Stanley Rasmussen and Donnie Currier.

Mrs. A. C. Johnson, president of the Tahoe Lake PTA, presided at the group's meeting in the school here last Thursday. Mrs. Johnson's talk on Founders' Day was inspiring and informative and Mrs. Ray Fellows reviewed the lives of Alice Burney and Phoebe Apperson Hearst, PTA founders, which was enjoyed by the assemblage. Chief topic of the session was ways and means of fund raising. A food sale on Saturday, April 2, was decided on to be conducted by Mrs. Ila Martin, A. S. Sanford and Martin Spitsen. The sale will open at 11 a.m. at Anderson's Village Store and will feature home-cooked dishes and pastries. A series of three food sales will be held during the summer, the next two to be held in Atherton's and Sam's Market. The upper elementary grades, under the supervision of Mrs. Dorothy Johanson, made the posters for Saturday's food sale at the Tahoe Lake School.

Mrs. Herman Rauh announces that youngsters of the Tahoe area will have a novel Easter egg hunt at 2:30 p.m. Sunday, April 17. If snow conditions are unfavorable, paper discs will be hidden instead of real eggs. The children will gather these discs and receive in exchange eggs or money as designated on the discs, residents of the community cooperating in donating both eggs and money for the event. All children are eligible to participate and need not be members of the Tahoe Community Church Sunday school.

The Far West Ski Association annual convention will be held on Saturday, April 2, starting at 9:30 a.m. at the El Cortez Hotel in Reno. Delegates from the Lake Tahoe Ski Club are Bill Bechdolt, Floyd Carnell and Gerry Waters, with Ray Fellows an alternate. While only delegates may vote, anyone may speak from the floor during the meeting and it is hoped a large contingent from Truckee and Tahoe will attend.

Dick Carnell is sporting a new yellow Frazer this week. Word from his brother, Howard, with the Marines at San Diego, discloses he must defer his trip home until the middle of April. He had hoped to be home this week. He also had the misfortune to lose his wallet with $38 of his pay check in it. He learned the hard way not to leave his pocketbook lying about while taking a shower. Worst of all was losing his personal papers. Both are sone of the Floyd Carnells of Tahoe.

Leave you for the week with best wishes for your good health and happiness. As ever,

Swanee

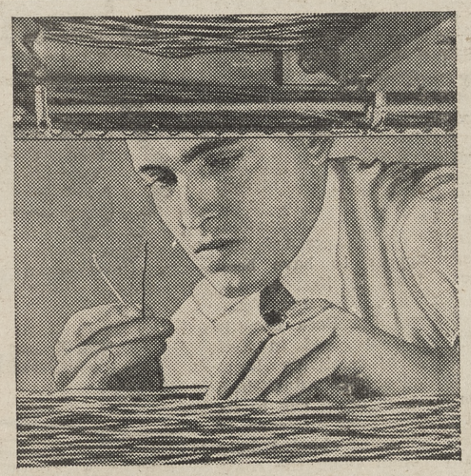
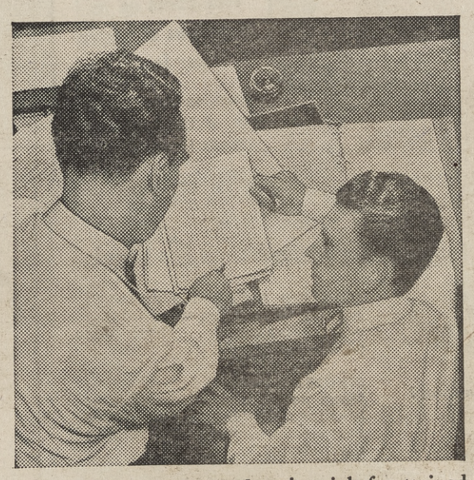
HOW YOU GET YOUR TELEPHONE ADDRESS

Your number guides a call to you from across the nation almost as quickly as you can walk next door



1. Your voice highway—a pair of tiny wires—is labeled with your telephone number at this central office distributing frame. From here, the wires lead out of the office, through cables, to your telephone. They also go the other way—on into a special section of complex equipment that has the specific job of handling your calls.



2. Picking your number is a job for trained people. From their charts they find an available pair of wires in a cable to your neighborhood. The volume of calls carried by the central office equipment serving your number is often checked to see if it has the capacity to handle added calls. This is part of our job of making telephone service reliable and efficient.

3. Someone calls your number . . . and, in a matter of moments, you pick up your receiver to answer. Perhaps the call is from just across the street. Perhaps it comes half-way around the earth. But your number guided it to your telephone . . . and no other. Seems almost like magic when you think of it . . . another of the little things that add up to good telephone service for you.

4. A lot of new numbers have been added in the past few years. For today there are twice as many telephones in use on the Coast as ten years ago. All these new telephones make yours more valuable. You can reach more people . . . more can reach you. Yet rates remain low. A few pennies still buy a call—a real value in these days of high prices.

BEER FROM BOCA ONCE HELD AS BEST IN THE WEST

Old timers will remember the glorious days before Prohibition when Boca Beer was the toast of the coast. The first brewmeister was Albert Pfaendler, grandfather of A. C. Pfaendler, railroad officer here today. A story of the introduction of the brew to the west coast appeared in the May 29, 1884, issue of the San Francisco Alta California, now the property of Robert Buddle, manager of the SP Hotel in Truckee.

The item described the reception of Boca Beer in the following manner:

"In Irving Hall, on Post street, yesterday afternoon a novel reception was held under the direction of the Boca Brewing Company. Neat invitations had been issued to a host of beer connoisseurs to meet there at half-past three and sample the new Pilsener lager beer, made by a new process, and under the care of a new foreman in the monster brewery at Boca, and representing the quality of Boca beer to be hereafter placed upon the San Francisco market.

"The hall had been arranged with tables and chairs for the accomodation of guests, of whom nearly 2,000 were received during the afternoon, and a host of waiters were kept busy in serving gratuitously as many glasses of the foaming beverage as were called for. A fine cold lunch was set in the lower end of the hall and served to order. No recipient of beery courtesy was asked to express himself in favor of the beverage dispensed, the manufacturers preferring that all expressions of opinion should be voluntary and unbiased. Yet nearly every drinker in warm terms praised the refreshing liquid, and first-class judges pronounced it unequalled in all the qualities required for the best of beer.

"The Boca Company's beer always has had an enviable reputation, ranking in the first class, yet under the new process of brewing, a vast improvement in flavor and nutritious quality has been attained. The sample lot drawn yesterday is of exactly the same quality as will be supplied to all local dealers in the future, and the method adopted to advertise it was one of the most effective that could be devised, the certain result being an imperative demand for the Boca brew from all judges and lovers of a prime article. The manufacturers had every reason to be congratulated upon the uniformly good opninions so freely expressed over their product at yesterday's gathering.

"In a city where beer is so general a beverage as in San Francisco, it is of the highest importance that a high grade product be furnished to consumers, and in no instance does this necessity appear to have been observed than in that of the Boca company. The San Francisco demand for Boca beer is already enormous, and in Salt Lake City a relatively large trade has also been established. The brewery is being run to its fullest capacity and carloads of the beer are being shipped daily to many points along the coast to meet constantly accruing orders. With Boca beer so much improved, other brands will have a precarious existence."

Tahoe Lake School News & Notes

TAHOE— Tahoe Lake School District is sponsoring a recreational program which started for the elementary students Monday under the direction of Kjell Rustad, local professional skier. Rustad will give instructions five days weekly to the smaller children from 2 to 3:15 p.m. Juniors will receive instructions three afternoons weekly and the more advanced students, many of whom are now in D class, will receive class instruction two days each week. Each Saturday the juniors will go to Granlibakken, near Olympic Hill, to practice. Children enrolled under the program must have their parents' permission, provide their own equipment and transportation home after school hours.

Mrs. Dorothy Johanson is instructing 7th and 8th graders in hand-tooled leather work. She is a primary division teacher.

Ronnie Sanford is president of the Travel Club at the school with Doreen Quam. They are making a study of Africa.

Clayton Frey entertained his classmates with his new gyroscope, a gift from Mr. and Mrs. Fred Main who have just returned from an extended vacation trip. Clayton plans to learn 25 experiments with the instrument, five of which were displayed to his interested classmates.

Donna Porter of Reno is a new third grade pupil and Gaylord Summers from Lincoln is now a fourth grade student.

Miss Betty Lee's classes are studying water this week.

Jimmie Goodhue, who has returned to classes following visits to San Mateo and Oregon, reported his biggest thrill while away was skiing on Mt. Hood.

Postmasters Confab At Tahoe Aug. 7-9

CRYSTAL BAY— The Nevada Chapter of the National Association of Postmasters of the United States will hold the annual state convention at Crystal Bay, on the Nevada shore of Lake Tahoe, August 7, 8 and 9, according to Vera L. Wood, hostess and postmaster of Crystal Bay.

Many officials of the Post Office Department at Washington, D. C., will attend the convention. John Trimming of Pocatello, Idaho, executive committeeman for the national association, will also be in attendance.

All postmasters of the area are urged to attend the meeting to get better acquainted with their neighboring postmasters.

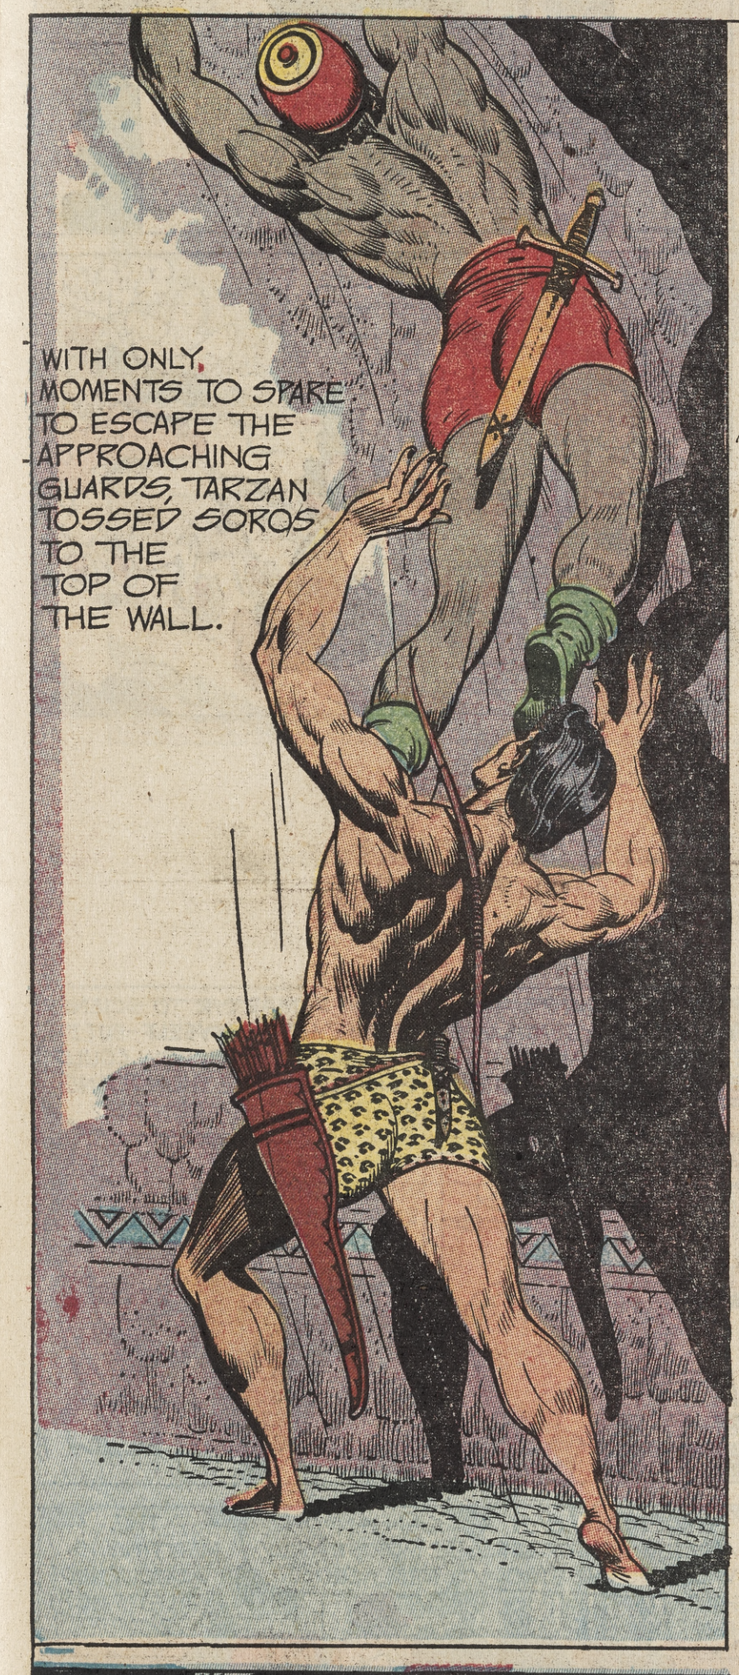
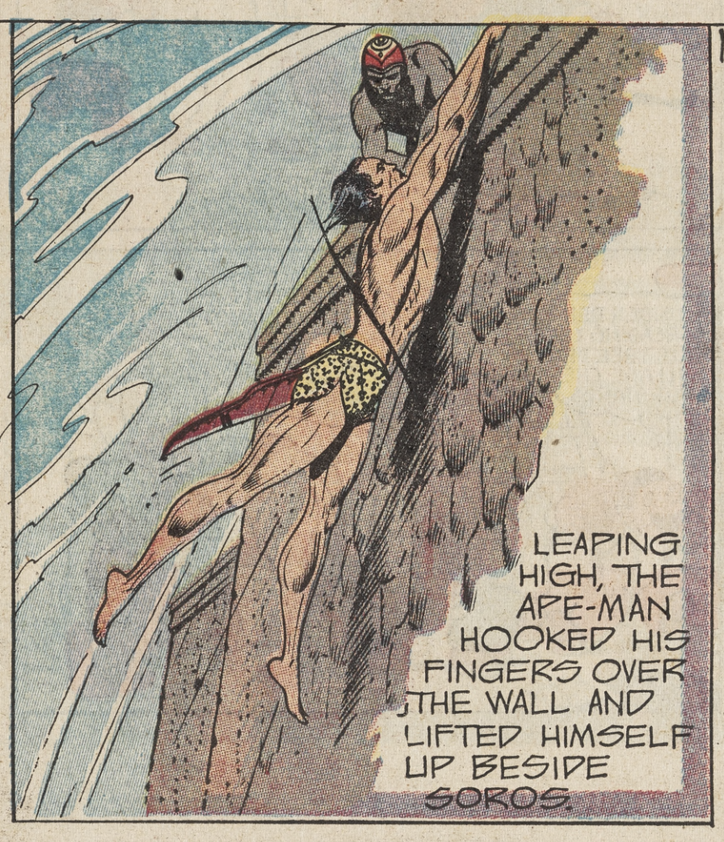
Tarzan

by EDGAR RICE BURROUGHS

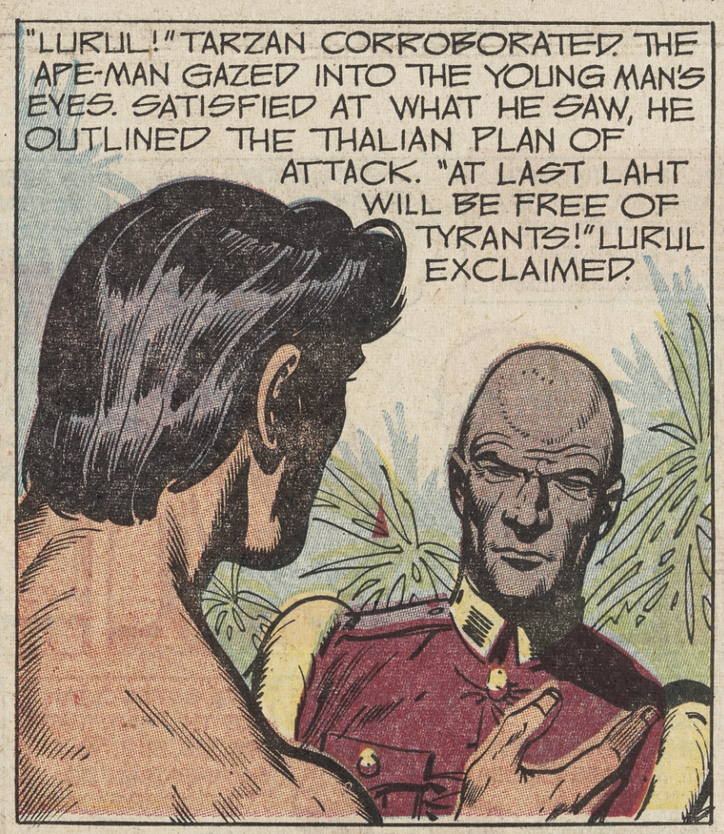


WITH ONLY MOMENTS TO SPARE TO ESCAPE THE APPROACHING GUARDS, TARZAN TOSSED SOROS TO THE TOP OF THE WALL.



LEAPING HIGH, THE APE-MAN HOOKED HIS FINGERS OVER THE WALL AND LIFTED HIMSELF UP BESIDE SOROS.

AS THEY DROPPED INTO A GARDEN A YOUNG MAN RAN UP. "TARZAN!" HE CRIED. "THE STRANGER WHO FOUGHT FOR ME IN THE ARENA!"



"LURUL!" TARZAN CORROBORATED. THE APE-MAN GAZED INTO THE YOUNG MAN'S EYES. SATISFIED AT WHAT HE SAW, HE OUTLINED THE THALIAN PLAN OF ATTACK. "AT LAST LAHT WILL BE FREE OF TYRANTS!" LURUL EXCLAIMED.

"MANY OF US WILL JOIN YOU---WE SHALL WEAR RED ARM BANDS."

SLIPPING OUT OF THE GARDEN, SOROS AND TARZAN LEFT THE SLEEPING CITY AND MADE THEIR WAY THROUGH THE FOREST.

IN A CLEARING KING FARAF AND RIMALI, THE LION, RECEIVED TARZAN'S REPORT WITH GRIM SMILES.

RIMALI'S DARK EYES GLOWED. "GOOD!" HE GROWLED. "WE ATTACK AT DAWN!"
